It will be a night to think back on warmly in the middle of a Cape Cod winter.

On Nov. 12 at 8 p.m., the high-powered James Montgomery Blues Band will swing into town for a show in the Cotuit Center for the Arts' "Art on the Walls, Music in the Halls." Those walls and halls will be shaking as Montgomery showcases his own band and the fabulous Uptown Horns.

And there's more: hometown fave Siobhan Magnus will be a special guest.

The show was supposed to go on Sept. 3, and tickets for that date will be honored. More are available at \$35 (\$50 a pre-show reception and reserved seating); go to www.artsonthecape.com or call 508-428-0669.
